Ancojada Group

Your financial future - safe in our hands

Your "Go To" Financial Services Hub!

Who are we and what can we do for you?

At Ancojada Group we have brought together a network of specialists in just about every area of financial services so that, whatever your financial needs, we have the experts on hand to provide you with the advice and guidance that you are looking for.

At Ancojada Group we are committed to making your financial life simpler, easier to manage and more rewarding!

Isn't it always easy finding the right financial advice is it?

We all have a variety of financial needs throughout our lives but it just seems that every financial adviser is a specialist in one area.

Maybe they only provide mortgage advice, perhaps they are a retirement specialist or only deal with investments.

This type of specialisation means that you will almost certainly have to search for a different adviser each time you have a financial need.

The right adviser, whatever your needs.

Your Ancojada Relationship Manager can save you time and make sure you find the right adviser, whatever your needs.

They can put you in touch with Consultants & Specialist Advisers from our network of companies who provide expertise across all areas of financial planning.

Just let us know what you are looking for and we will introduce you to the right person to help you!

Take a look at just some of what we offer

The Ancojada network of Relationship Managers, Consultants & Specialist Advisers provide expertise across all areas of financial planning.

Take a look below at just some of the extensive range of financial services our Specialist Adviser Network can offer you:

Investing for a comfortable retirement.

- Getting the best value from your pension investments.
- Finding out how "Pension Freedoms" can benefit you.

Making your investments work harder for you.

- Making the most of your Individual Savings Account (ISA) allowance.
- Saving for future capital needs (House deposit, Student fees, Weddings etc).

Protecting your family and/or your business

- Life insurance in the event of your death.
- Providing an income in case of ill health.

Mortgages & Loans

- Arranging a mortgage to buy or re-finance your home.
- Releasing money from your property.

Estate Planning

- Making sure your assets go to who you want them to after your death.
- Protecting your personal and/or business assets.
- Reducing inheritance tax on your estate.
